SUPPLEMENTARY INFORMATION: On June 29, 2022, we published the NIA in the *Federal Register* (87 FR 38719). The NIA established a deadline date of September 27, 2022, for the transmittal of applications. We are extending the deadline date for transmittal of applications, because the Grants.gov platform will be closed for site maintenance from September 23-29, 2022. Since applicants will be unable to submit or work in the Grants.gov system during that time, we are extending the deadline to allow applicants additional time to complete and submit their applications.

Applicants that have submitted applications before the original deadline date of September 27, 2022, may resubmit their applications on or before the new application deadline date of October 7, 2022, but are not required to do so. If a new application is not submitted, the Department will use the application that was submitted by the original deadline. If a new application is submitted, the Department will consider the application that was last successfully submitted and received by 11:59:59 p.m., Eastern Time, on October 7, 2022.

Note: All information in the NIA for this competition remains the same, except for the deadline for the transmittal of applications and the deadline for intergovernmental review.

Program Authority: 20 U.S.C. 7273-7274.
